

About AMOSCA

AMOSCA is a UK-based Enterprise Performance Management (EPM) and Business Intelligence (BI) consultancy providing business, financial and technology solutions to corporations worldwide.

Specialising in the design, development, implementation and support of Oracle EPM & BI solutions, AMOSCA is committed to delivering highly functional, efficient and manageable solutions that are future proof and deliver both a time and cost saving.

AMOSCA has established an impressive reputation for service excellence and outstanding results, working in close partnership with our customers and the wider community.

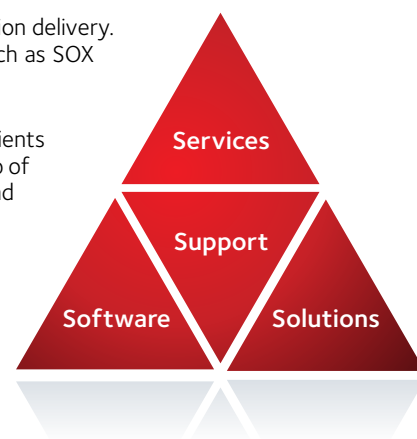

What can we do for you?

AMOSCA Services provide efficient, dynamic and cost effective services across the Oracle EPM & BI toolset. Services include application and infrastructure review, design, implementation and upgrade.

AMOSCA Solutions provide the business integrity ensuring client investment meets the solution delivery. AMOSCA Solutions deliver solutions addressing key business reporting and compliance areas such as SOX compliance, XBRL reporting, Tax Accounting and Sustainability Reporting.

AMOSCA Software enhances the client investment in Oracle EPM & BI. AMOSCA helps clients select the optimal blend of Oracle EPM & BI products. AMOSCA additionally distributes a portfolio of value add software solutions which Oracle EPM & BI clients trust and rely on to operate and maintain their EPM & BI environments more efficiently.

AMOSCA Support offers a dedicated Managed Application team via the AMOSCA Support Centre (ASC). Blended Oracle EPM & BI knowledge extends client support and maintenance capabilities to ensure improved product knowledge, best practice and application functionality are achieved.

Why choose AMOSCA?

- **Highly skilled in-house team:** the skillset comprises financial, technical, project and business expertise
